## **Armytek Wizard Pro XHP50 V3 field use review.**

Today I'm taking a look at the Armytek Wizard Pro Nichia. This is a right angle headlamp with built in charging, a magnetic base, and a whole host of mounting options. It's powered by a single 18650. Armytek has a number of headlamp offerings - I've personally reviewed both the smaller Tiara Pro, and the less premium Elf C2.

The surface of ArmyTek Wizard is covered in white markings which inform about the model, the power source, voltage range, etc. Needless to say, they are quite ugly. Nevertheless, it isn't a real issue - Armytek Wizard is an example of a heavy duty equipment, it doesn't have to be pretty. Body. ArmyTek Wizard has a length of 11 cm.
