Ethical principles are fine in theory, but putting them into practice is more difficult. Every situation is different, and ethical issues in medicine should be approached on a case-by-case basis. These are some common controversies, and how principles of medical ethics are applied to help solve them. Abortion: Autonomy and nonmaleficence come into conflict in [...]

Brave New World, which started as a parody of one of H.G. Wells' science fiction books, Men Like God, is another dystopian work on the list of most controversial books. The book made the ALA's top ten list of most challenged books in 2010 and 2011, with complaints including "insensitivity, nudity, racism, religious viewpoint, [and] sexually explicit."

13 Most Controversial Novels Ever Published - Early Bird Books

The controversies with which they deal are not likely to disappear any time soon, but each of the chapters identifies the empirical basis for the author's conclusion. A student might ultimately decide to reject the arguments, but in doing so, the student will be deciding to base his or her judgment on nonscientific grounds.
